ACADEMIC QUALIFICATIONS

MSc in Geo-spatial Science, University of Business and Integrated Development Studies, Wa, Ghana

CGPA: 4.50/5.0 | Thesis: Spatial Variations of Building Maintenance and Their Impact on Rental Values

BSc in Real Estate, University of Business and Integrated Development Studies, Wa, Ghana

Second Class Honours (Upper Division) | CGPA: 4.47/5.0 | Thesis: Smart Facilities Management in Ghana: Prospects and Challenges

RESEARCH & ACADEMIC EXPERIENCE

Research Assistant (Volunteer) | Department of Real Estate, University of Business and Integrated Development Studies | Wa, Ghana

15 Nov 2025 to Present

- Collaborated on real estate research projects prepared for submission to academic journals, contributing to research development and publication-oriented outputs.
- Developed course content for ICT, Property Marketing and GIS, translating technical and applied material into structured academic resources.
- Facilitated teaching in Residential Real Estate Finance, ICT, Property Marketing, Real Estate Development and GIS.

Teaching Assistant, Mandatory National Service | Department of Real Estate, University of Business and Integrated Development Studies | Wa, Ghana

Oct 2024 to Oct 2025

- Conducted tutorials in Mortgage Finance and GIS, supporting undergraduate learning in real estate finance and spatial analysis.
- Organised a practical class on SPSS for data analysis, providing students with additional exposure to quantitative research methods.

- Assessed student presentations and end-of-trimester examinations using structured academic evaluation.

SELECTED RESEARCH & FIELD EXPERIENCE

IT Support, Household Waste Management Project | People's Dialogue on Human Settlements | Accra, Ghana

Dec 2024

- Designed a KoboToolbox data-collection system and deployed it on Android devices for field data collection.
- Trained field enumerators and monitored submissions through the KoboToolbox server.
- Prepared and downloaded datasets for subsequent analysis.

IT Support / Field Enumeration, Solid Waste Management Project | Wa Municipal Assembly | Wa, Ghana

Aug 2024

- Designed and deployed a KoboToolbox data-collection system and collected field data including geographic coordinates.
- Prepared and cleaned datasets, conducted descriptive analysis using SPSS and mapped waste-collection points using ArcGIS.

Field Enumerator | Ghana National Household Registry | Central Tongu, Volta Region, Ghana

Nov 2020 to Jan 2023

- Collected household-level field data and conducted community engagement as part of a national household registry exercise.

ADDITIONAL PROFESSIONAL EXPERIENCE

Site Supervisor | Coastal Development Authority (CODA) | Ghana

May 2024

- Supervised construction activities for a three-bedroom bungalow, monitoring implementation against the architectural plan.

- Supported building-material accounting and scheduling and verified site measurements against the architectural plan.

Presiding Officer | Electoral Commission Ghana, Central Tongu Constituency |

Dec 2024

- Supervised polling-station operations and coordinated election activities within an assigned polling environment.
- Resolved operational and conflict-related matters involving party agents and electorates under time-sensitive conditions.
- Collated pink sheets, counted ballots and announced polling-station results, requiring accuracy and procedural compliance.

Data Entry Clerk | Electoral Commission Ghana, Central Tongu Constituency |

Apr 2024

- Electronically registered voters and produced voter identification cards.
- Checked existing voter records against the Electoral Commission database to identify duplicate registrations and support data integrity.

Industrial Attachment | Weija-Gbawe Municipal Assembly, Works Department | Accra, Ghana *Sept 2023 to Dec 2023*

- Supported property valuation assignments and site inspections within the municipal Works Department.
- Gained practical exposure to building permitting, architectural draughtsmanship and public-facility management.
